- Address customer inquiries and resolve issues in a professional manner.

****Food & Beverage****

- Prepare and stock food and beverages following CU safety and quality standards.
- Follow food safety procedures and health code requirements.
- Maintain consistent cleanliness and readiness of all foodservice equipment and areas.
- Monitor food and beverage supplies keeping supplies full for customer.

****Stocking & Inventory****

- Receive, check, and stock merchandise according to CU stocking checklists.
- Ensure proper rotation, labeling, FIFO and placement of dry and fresh products.
- Support pre-stocking, stocking, and inventory verification processes.
- Monitor suppliers to ensure consistent product availability and quality.
- Ensure all displays, signage, promos and marketing are accurate, posted and damage free.

****Store Maintenance****

- Uphold cleanliness and safety standards throughout the store.
- Perform daily opening, mid-day and closing duties per CU operations checklist.
- Zero tolerance for any spills or trip hazards.

****Compliance****

- Adhere to CU Hawai'i policies and procedures, including permits and licenses compliance.
- Follow operational checklists for health, safety, and inspection readiness.
- Able to handle and sell alcohol and any age restricted items as permitted by law. Must follow all laws regarding the handling and selling of age restricted items.

****Benefits****

- Competitive pay & benefits package
- Training and career growth opportunities
- Supportive and team-oriented work environment

****Qualifications****

- Positive and customer-focused attitude.
- Ability to multitask, work in a fast-paced environment.
- Able to stand, bend, reach and lift up to 50 lbs.
- Basic math and communication skills.
- Food handler's certification (required before first shift).
- Previous experience in retail, cashiering, or foodservice preferred but not required.
- Flexible and open availability for full-time positions.
